local council

Clarification Number 4

24th September 2014

KCM/M313/14 - Tender to Supply and Impelement a Landscaping scheme at Gnien il-Faimlja, Triq is-Summien c/w Triq il-Horg, Ta' Kercem, Gozo.

Ta' Kercem Local Council is issuing the following clarifications:

1. Pg 9 Clause 17.8 refers to an available budget of €5,300 including VAT. Kindly clarify whether this figure is correct or otherwise.

An updated version of the tender document is being issued with this clarification. Pg 9 Clause 17.8 of the updated version refers to an available budget of €34,300 including VAT.

2. Kindly provide specifications for turf blocks which will be provided by third parties?

An updated version of the tender document is being issued with this clarification. The Technical Specifications and Bill Of Quantities includes the supply of Ground Tiles permitting grass growth.

3. The BoQ only refers to the watering of the turf in the turf blocks. Kindly advise how the other trees and plants will be watered.

An updated version of the tender document is being issued with this clarification. The tender includes specifications and Bill of Quantities for surface irrigation.

4. Will the contractor be responsible to deliver water to the reservoir only or will he be responsible to water by hand.

An updated version of the tender document is being issued with this clarification. The contractor will be responsible for supply and delivery of water and watering. Irrigation can be carried out using the surface irrigation, and or if additional water is needed this can be applied by hand. Subject to unavailability of power supply/pumps, the contractor shall be responsible for the provision of alternative means for the proper watering of all the trees, shrubs and turf.

5. In some of the areas marked as Soil Areas as marked on Plan 1 of 4, there is rock to a very high level which will result in adequate soil depth. Kindly specify if the breaking and removal of this rock is within this Tender's scope of work?

An updated version of the tender document is being issued with this clarification. No breaking or removal of rock shall be included in this tender.

6. The existing heap of soil will not be enough to cater for an adequate depth of soil for all the planted areas. Will the contractor be asked to deliver more soil to these areas?

An updated version of the tender document is being issued with this clarification. The Bill of Quantities includes for the supply of additional soil.

7. Kindly confirm that the existing reservoir on site will be ready from all construction, plastered and holding water at the time of planting/installation of turf.
The existing reservoir will be ready and holding water at the time of planting.
